RE: Recommendations of experts for cultural affiliation studies

I have compiled a list of experts which we would recommend to use in the process to determine cultural affiliation of the Ancient One. I have also attached a bibliography of the archaeology/ethnography of the plateau. I do hope you are able to use some of these experts. If you have any questions, feel free to call me at 541-276-3165, or Audie Huber at 541-278-5240, or Jeff Van Pelt at 541-276-3629.
